Burlingame, CA. – September 16, 2020 – [Natsume Inc.](#), a worldwide developer and publisher of family-oriented video games, [Rising Star Games](#), video game publisher and long-standing partner of Natsume, today announced their latest title for Nintendo Switch, *Harvest Moon: One World*, will be launching in North & South America by Natsume Inc. on March 2, 2021 and in Europe by Rising Star Games, distributed by Nintendo of Europe in European countries, on March 5, 2021.

Harvest Moon: One World is available for pre-order today. Pre-order from select retailers and receive a cute chicken plushie as a gift with purchase! See all pre-order options [here](#).

Chicken Plushie

Before the Harvest Goddess disappeared from this world, she imbued the tiny Harvest Wisps with the knowledge of various seeds, thus ensuring the various fruits and vegetables of the world would not be lost. Using the power given to these Harvest Wisps, you'll unlock various seeds as you progress through the game! But the Harvest Wisps can be tricky to find, as they all appear at different times and places. You'll need to use your noggin to make sure to seek as many as you can of them out!

"Unfortunately, the Covid-19 pandemic has impacted everyone in our world in many ways," said Hiro Maekawa, President and CEO of Natsume. "Although the current events have delayed the launch of *Harvest Moon: One World*, we are working hard every day to create a great game that introduces players to a whole new world and promises Serious Fun."

Can you imagine a world without tomatoes, strawberries, or even cabbage? That's the situation players will find themselves in in the latest entry in the Harvest Moon series, *Harvest Moon: One World*. Only an old book gives hints of what once was... Buoyed by a mysterious discovery, however, players will find themselves setting out on an adventure that spans not only their hometown but the whole world! What kind of people and places await? From the gorgeous beaches of Halo Halo to the snowy mountains of Salmiakki, there's literally an entire world to explore!
