## ***Harvest Moon: One World* is Available Now on Nintendo Switch and PlayStation 4!**

*The Newest Title in the Harvest Moon Franchise Features a Whole New World to Explore, Innovative Farming, and New Exotic Animals!*

**Burlingame, CA. – March 2, 2021** – [Natsume Inc.](#), a worldwide developer and publisher of family-oriented video games, today announced ***Harvest Moon: One World*** is available now in North & South America on [Nintendo Switch](#) and [PlayStation 4](#). The game is rated E for Everyone by the ESRB and is available for \$49.99 USD.

"*Harvest Moon: One World* is our largest *Harvest Moon* game yet," said Hiro Maekawa, President and CEO of Natsume. "With five different lands inspired by real life places, mystical Harvest Wisps, innovative tools that helps you quickly travel and take your barn with you, and new rare and exotic animals, this is truly a new world for players to explore."

A New *Harvest Moon* with Global Appeal! Take a trip around the world in the latest entry in the long-running *Harvest Moon* series! Players will ride camels across the deserts of Pastilla, venture deep into the snowy mountains of Salmiakki, and even visit a volcano near the cozy mountain town of Lebkuchen!

Can you imagine a world without cabbage, tomatoes, or even carrots? Believe it or not, that's the world you'll find yourself in at the beginning of *Harvest Moon: One World*, as the Harvest Goddess, the queen of crops herself, has vanished...

However, before the Harvest Goddess disappeared from this world, she imbued the tiny Harvest Wisps with the knowledge of various seeds, thus ensuring the various fruits and vegetables of the world would not be lost. Using the power given to these Harvest Wisps, you'll unlock various seeds as you progress through the game! But the Harvest Wisps can be tricky to find, as they all appear at different times and places. You'll need to use your noggin to make sure you seek out as many of them as you can!

- Explore 5 unique and colorful areas: the sprawling grasslands of Calisson, the gorgeous beaches of Halo Halo, the searing desert heat of Pastilla, the cozy hills of Lebkuchen, and the snowy mountains of Salmiakki!
- Play as a boy or a girl and woo one of 5 handsome bachelors and 5 beautiful bachelorettes, each with their own unique personality and backstory!
- Raise and keep animals such as cows, sheep, goats, and even reindeer!
- Use your Expando-Farm to easily travel from one area to another!

### ***Harvest Moon: One World Collector's Edition***

The *Harvest Moon: One World Collector's Edition* is also available today. The *Harvest Moon: One World Collector's Edition* includes a chicken plushie and a music diorama that features an original song from the game, "Spring on the Beach". The diorama depicts a scene from the game with the male and female main characters and animals set to music. The animals are magnetized and rotate while the music plays.

This amazing battery-powered diorama includes 3 interchangeable magnetic animals: a cow, sheep, and chicken! The base of the diorama features a barn, as well as the male main character and female main character! Simply place the magnetic animals where you like them on the outer ring of the diorama and they will rotate when it is turned on.
