

The word is out... Pocky & Rocky Reshrined is a hit! If you haven't had a chance to play this classic 16-bit style shooter, here's what some popular media sites are saying about it!

5/5 – [EGM](#) “In the end, all of the love, care, and effort that Tengen Project has put into *Pocky & Rocky Reshrined* has resulted in an experience that both pays tribute to its original 16-bit incarnation while also not being afraid to become its own game.”

9/10 – [Nintendo Life](#) “Pocky & Rocky: Reshrined is a blessing, a gorgeous-looking, delightfully artful new interpretation of a much-loved classic, and a noteworthy example of what can be achieved, creatively, with the 2D medium. If you're even mildly into the application of old-school gaming disciplines, it should be snapped up without a second thought.”

9/10 [Noisy Pixel](#) “The story mode provides a satisfying and challenging experience where you come to grips with a diverse cast of characters and play styles, before diving into the endless replay value of two-player coop. Modern or retro, this is just a fun game to come back to again and again.”

Pocky & Rocky Reshrined follows the adventures of a young shrine maiden named Pocky and her companion, Rocky the raccoon, as they attempt to take down the evil Black Mantle! Gameplay takes place from a top-down perspective and features both single-player and cooperative modes.
