

## ***Harvest Moon: Back to Nature is Coming Soon to PlayStation Plus***

*The Beloved Classic Returns on February 21*

**Burlingame, CA., February 15, 2022** – Natsume Inc., a worldwide developer and publisher of family-oriented video games, today announced that ***Harvest Moon: Back to Nature*** will be launching on PlayStation Plus (Premium) on February 21. *Harvest Moon: Back to Nature* was the first *Harvest Moon* title to launch on the PlayStation in North America on November 20, 2000. PlayStation Plus users can soon return to the farm they loved 23 years ago.

“*Harvest Moon: Back to Nature* left an impact on players over twenty years ago as the first farming sim for PlayStation,” said Hiro Maekawa, President and CEO of Natsume Inc. “It is a joy to work with PlayStation again to bring one of our most beloved titles to PlayStation Plus so that fans can revisit a game that they so fondly remember, and new players can play a classic game that created an entirely new genre!”

As a child you visited your Grandfather's ranch when vacation plans fell through. Return to the farm that holds fond childhood memories and rejuvenate its long-neglected fields. Tend to your livestock and interact with over 50 characters. As you struggle to make the farm something your grandfather would be proud of, one nagging question remains: What ever happened to the girl that you knew a decade ago?

Features include:

- Non-linear, real-time game play allows for a wide assortment of events
- Compete with villagers in challenging festival mini contests
- Add a kitchen and collect recipes

*Harvest Moon: Back to Nature* joins a variety of games in the PlayStation Plus catalog that boasts classics across all PlayStation consoles. Learn more about PlayStation Plus [here](#).
