

Natsume Inc. Announces *Harvest Moon: Home Sweet Home!*

The Cozy Farming Sim Launches on iOS and Android August 2024

Burlingame, CA. – May 29, 2024 – [Natsume Inc.](#), a worldwide developer and publisher of family-oriented video games, today announced ***Harvest Moon: Home Sweet Home***, coming to iOS and Android in August 2024.

“We are excited to bring a fresh new Harvest Moon experience back to mobile gamers with *Harvest Moon: Home Sweet Home*,” shared Hiro Maekawa, President and CEO of Natsume. “Featuring the traditional Harvest Moon style that fans know and love, along with some familiar faces, we hope this will be a cozy farming adventure favorite for all mobile gamers. We look forward to welcoming you home this summer!”

Home is where the heart is! After ten years of city life, you're ready to head back home in *Harvest Moon: Home Sweet Home*! Your childhood friend has convinced you to move back to your hometown to try to revitalize it, but it won't be easy going! The town of Alba has seen better days, and not all its residents are happy to see a city slicker like you back! Can you convince even the negative naysayers that you truly have the village's best interests at heart? And can you revitalize Alba? With the help of your childhood friend and other villagers on your side, you definitely can!

ABOUT HARVEST MOON:

The first game in the series was released in North America in 1997 and has continued to see a steady rise of popularity and players, making it one of today's most beloved franchises. *Harvest Moon* is revered for being a non-violent, family-oriented game for everyone, and there have been more than 30 games released in the series.
