

REEL FISHING®

Days of Summer

Natsume Reveals The First Screenshots and Announces Launch Date for *Reel Fishing: Days of Summer*

The Longest-Running Fishing Series Launches Worldwide On Consoles and PC October 28, 2024

Burlingame, CA. – July 2, 2024 – Natsume Inc., a worldwide developer and publisher of family-oriented video games, today revealed the first screen shots and box art for the newest title in the Reel Fishing franchise *Reel Fishing: Days of Summer*, which will release worldwide on Nintendo Switch, Sony PlayStation 5, Sony PlayStation 4, Microsoft Xbox Series X, and PC (Steam) on October 28, 2024.

The new title in the long-running series is the ultimate fishing trip as you join three good friends as they spend their last days of summer together with one last fishing trip! But is there more to these fishing spots than meets the eye? Find out in *Reel Fishing: Days of Summer*! Catch over 40 species of fish from 14 different fishing locations and craft over 70 different kinds of tackle to lure the rarest of fish. Players can keep fish in a beautiful aquarium while levelling up and gaining new and exciting skills.

“The *Reel Fishing* franchise has been known for its photorealistic fishing fun for 25 years,” said Hiro Maekawa, President and CEO of Natsume. “We are excited to bring a bit of Summer fishing fun to brighten gamers up in October where they can experience the realistic and fun fishing experience of the original game, but with the latest and greatest specs available on the gaming systems of today.”

The game is rated E for Everyone and can be pre-ordered at Gamestop on [PlayStation 5](#) or [Nintendo Switch](#).

About *Reel Fishing*

Celebrating more than 25 years of the photorealistic fishing series, *Reel Fishing* was first released on PlayStation in North America in October 1997 and is included in PlayStation's Greatest Hits collection, making it one of the console's top-selling games. Since then, *Reel Fishing* has launched on numerous consoles including DreamCast, Nintendo 3DS, Wii, PlayStation 4, and Nintendo Switch but the fishing video game has always retained its classic photorealistic style. The most recent title, *Reel Fishing: Road Trip Adventure*, featured JRPG-inspired gameplay and released on PlayStation 4, Nintendo Switch, and PC in 2019. *Reel Fishing: Days of Summer* will be the next installment in the long-running series.
