

NATSUME LAUNCHES THE GREAT OUTDOORS PACK FOR HARVEST MOON: THE WINDS OF ANTHOS

Harvest Moon: The Winds of Anthos Adds Camping, Treasure Hunting, S'mores And More in The New DLC!

Burlingame, CA., October 24, 2024 – Natsume Inc., a worldwide developer and publisher of family-oriented video games, today released the next DLC for *Harvest Moon: The Winds of Anthos*, The Great Outdoors Pack. The Great Outdoors Pack launches today in celebration of the 1st anniversary of *Harvest Moon: The Winds of Anthos*. The Great Outdoors Pack is available now on Nintendo Switch, PlayStation, Xbox, and Steam for \$9.99 and is free for players who have already purchased *Harvest Moon: The Winds of Anthos Season Pass*. *Harvest Moon: The Winds of Anthos* can be found on [Steam](#), [Amazon](#), [GameStop](#), [Walmart](#) and [NatsumeStore.com](#).

“*Harvest Moon* has always been a celebration of nature, and The Great Outdoors Pack takes this to the next level by introducing brand-new features to the series like camping and treasure hunting,” shared Hiro Maekawa, President & CEO of Natsume. “We know players will enjoy exploring with their pets, cozying up

around the campfire with new recipes, and finding treasure. Hardcore fans may be especially surprised by the treasures they unearth!”

Camp, explore, and even treasure hunt! Have your animals tag along with you as you explore Anthos! Your animals can even help you with their special skills while exploring! Enjoy camping under the stars by the campfire! Make yummy s'mores and other camping-themed dishes to give you a boost! Go treasure hunting to discover the hidden mysteries of Anthos! What secrets will you uncover with the new Treasure Hunting Mode on your DocPad?

Features include:

- Find treasure throughout Anthos, including easter eggs referencing other Natsume titles!
- No need to travel home at the end of the day; camp wherever you are! You can even upgrade your tent to camp in style!
- Bring your pets on camping trips! Each pet has their own unique ability while exploring Anthos! Doc's innovative new robot will keep your pets and animals fed while you're away from home!
- Cook camping-themed dishes like s'mores at your campfire to increase your stamina.
- Two new characters—one for camping and one for treasure hunting!

Harvest Moon: The Winds of Anthos can be found on [Steam](#), [Amazon](#), [GameStop](#), [Walmart](#) and [NatsumeStore.com](#).

About *Harvest Moon: The Winds of Anthos*

The land of Anthos was a peaceful and harmonious land watched over by the Harvest Goddess and the Harvest Sprites, who protected the inhabitants of Anthos from natural disasters such as storms,

earthquakes, and the like.

However, one day many years ago, Anthos experienced a severe volcanic eruption that threatened life on Anthos itself, and the Harvest Goddess and Harvest Sprites had to use all of their remaining power to keep the people and animals of Anthos safe. This left the different villages across the land blocked off from each other. Some unfortunate souls even got trapped outside their villages, and were unable to return...

Believing that the separated villages and people would one day be reconnected, the Harvest Goddess sent out a bottle with a letter and a magic key, then fell into a deep sleep...

Now, 10 years later, you have found the SOS the Harvest Goddess sent to the world in the form of a message in a bottle! With the help of your wacky inventor friend Doc Jr. and many others, it'll be up to you to revive the Harvest Goddess and the Harvest Sprites, as well as reconnect all of the villages of Anthos with each other!

Farm all around Anthos using Doc's new and improved Expando-Farm! Easily move from place to place and farm everywhere from snowy mountains to beautiful beaches!

- Keep and raise different kinds of cows, chickens, and sheep in your barn! Find even more exotic animals to keep out in the wild of Anthos!
- Woo 5 different bachelors and 5 different bachelorettes! Marry whoever your heart desires!
- Keep unique pets like wolves and exotic animals such as ferrets!
- Collect seeds from Harvest Wisps hidden all over Anthos! Some of the rare ones only come out at certain times, so keep an eye out for them!
- Explore the wide world of Anthos on foot or on mount! Unique and unusual mounts are available as well!
- Fast travel around the world using the Harvest Goddess's Warp Statues!
- Take pictures, selfies, and more!

ABOUT HARVEST MOON:

The first game in the series was released in North America in 1997 and has continued to see a steady rise of popularity and players, making it one of today's most beloved franchises. *Harvest Moon* is revered for being a non-violent, family-oriented game for everyone, and there have been more than 30 games released in the series.
